Zivania is a traditional alcoholic beverage made in Cyprus, which has been produced here for centuries by distillation from pomace, the residue of grapes that were pressed during the winemaking process mixed with high-quality dry wines, all harvested from the local grape varieties of Cyprus. The festival takes place in Alona (4/11/2018) and Pelendri (11/11/2018) villages in two consecutive weekends. It includes distillation of zivania at the venues, promotional kiosks with traditional products, as well as music and dance programmes. The local sights are open for visitors during the festival. SUN, 18 O3 OLYMPUSMAN
Do you have what it takes to be an OlympusMan?! OlympusMan O3 is a one of its kind in Cyprus triathlon and one of those events every hard core triathlete must have in his/her “bucket list”! The concept here is pretty simple - you start from sea level in Pafos and finish 1952m above sea level, at Olympus peak, in the Troodos Mountain! Epic, isn’t it? The course is without doubt one of the most challenging Half Iron distances on the planet. An early morning 1.9k swim at Pafos harbour, followed by an 86km bike section with over a staggering 2,600 meters of ascent. The last leg would be an off-road half marathon with 350 meters of ascent gradually spiralling up to the summit of Olympus at 1952 meters. OlympusMan is a long day’s challenge through some of Cyprus’s most spectacular scenery. For further information: www.cyclingcy.com
