9. Cyprus' high season is just around the corner. What is the Hotel Industry forecast for summer season?  
**The forecast for the summer season was exceptional this year, we are expecting one of the best years ever. We are sure that when the "dust settles down" and the work of the banks stabilizes without any restrictions, the number of bookings will return to the previous levels with the trend for growth. Already during the Catholic Easter and Orthodox Easter, many tourists spent their holidays in Cyprus and were happy to share their positive experiences.**
