ACCESIBLE CYPRUS

A number of facilities are available to visitors with special access needs who wish to visit Cyprus. Some hotel establishments provide a range of facilities to meet special needs and requirements. Since facilities vary from hotel to hotel, it is recommended to contact the hotels directly in order to ascertain that they have the right facilities for a particular disability. Hotels offering facilities for the disabled can be found in the Cyprus Tourism Organisation’s annual publication “Guide to hotels and other Tourist Establishments” and Website www.accessible-cyprus.com

Both Larnaka and Pafos international airports are accessible to visitors with all kinds of access needs. Facilities include available accessible washrooms, charging stations for electric wheelchairs at departure gates, ramps to allow a person on a wheelchair to enter or exit the buses and additional assistive services, meeting European Regulation 1107/2006 concerning the right of disabled travellers.

In 2007, the Cyprus Parliament approved and introduced the use of the European Blue Badge for parking at designated places for the disabled, available all over the island, both in public roads and public parking areas. The authority responsible for issuing the Blue Badge is the Service for the Care and Rehabilitation of the Disabled, part of the Ministry of Labour and Social Insurance. It can be contacted at +357 22 406 406 email: info@dsid.mlsi.gov.cy

Most Cyprus’ towns are fairly accessible with a wheelchair but much work is yet to be carried out to improve infrastructure. A person using a wheelchair is advised to be accompanied by an able person for assistance in inaccessible areas.

Transportation around the island can be arranged if prior notice is given to the transport companies. Special buses are also available with low gradient ramps, safety belts and a/c and so are special taxis that may carry a person who is seating on a wheelchair. Information can be obtained from the Cyprus Tourism Organisation offices and Website www.accessible-cyprus.com

1. ACCOMMODATION

Hotel establishments with facilities for visitors with special access needs are marked with the relevant symbol in the CTO’s annual publication “Guide to hotels, and other Tourist Establishments” that is available on the CTO Website www.visitcyprus.com and at all CTO Tourist Information offices in Cyprus and abroad.

The relevant symbol corresponds to the following facilities for disabled:
Parking places
Entrance Ramps
Availability of rooms designed for disabled
Accessibility to hotel’s communal areas
Public toilets for disabled.
A Tourist Apartments establishment in Polis (Pafos District) has been exclusively designed and operated according to the needs of disabled visitors and wheelchairs users:

Starting point: Mantra tou Kampiou picnic site, towards Machairas forest.
Length: 1km.
Points of interest: Scenic forest route.

5. GOING OUT / SHOPPING

Generally, moving around in Cyprus’ city centres is easy due to the flat road surfaces, the good condition of most pavements, efficient traffic control and the availability of municipal and other parking places for the disabled.
Most of the Malls and Shopping Centres in Cyprus have available parking places, lifts and ramps for wheelchair users as well as do restaurants including fast food and international kitchen, cafes, bars etc.
Wide pedestrian streets are found in the historical city centres. Beautiful seafront promenades with lots of dining places, pubs, cafes and souvenir shops are easily accessible to everybody.
Most Banks’ branches in Cyprus are accessible to disabled persons.
